Calling all Parrotheads: This is your Coconut Telegraph. This summer's Venetian Festival will pay tribute to the late Jimmy Buffett with a "Margaritaville" theme. So put on your flip flops, the Banana Wind will begin blowing on Saturday, July 20th, at Venetian's Aquapalooza on the sandy shores of Ferry Beach. The island rhythms of Frank Bama and Air Margaritaville will confirm that it doesn't have to be 5 o'clock anywhere to begin sipping your 'ritas and chomping your cheeseburger, as Come Monday, we could all go insane! Charlevoix's latitude makes for the perfect attitude – so join us this July!
